Company Milestones

Our Key Services

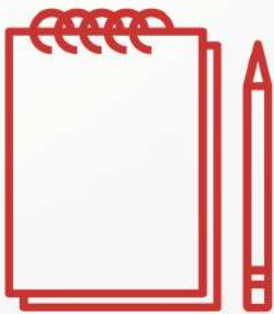

Sales & Distribution

China | Hong Kong | Macau

Our dedicated sales teams have over 20 years of experience. We currently sell products to numerous different customers, including hospital, clinics, pharmacies, key chain retail stores, etc.

Regulatory and Tender Support

We offer full regulatory support for registration and Pharmacovigilance in China, Hong Kong and Macau. With a solid background in tender, FP Healthcare caters to our clients in maximizing sales turnover for strategic items.

Brand & Marketing

FP Healthcare possess extensive experience in marketing consumer healthcare and prescription pharmaceuticals. We are experts at developing tailored marketing strategies to optimize business outcomes. One of our brands is the market leader in Cold and Flu medicine in Hong Kong, as well as selected regions in China.

Contract Manufacturing Service

Based in Hong Kong, our manufacturing facilities comply with PIC/S GMP. Moreover, our products are approved by the U.S. FDA, Health Canada, CFDA, and Hong Kong Department of Health.
